

There will always be poor people in the land.
Therefore I command you to be openhanded toward
your brothers who are poor and needy in your land.

Deuteronomy 15:11

FEED the HUNGER
It's more than a meal

Feed the Hunger in America

FtH has been distributing food in America in the name of Christ since 2013, mainly through Christian food pantries.

Depending on the setting, our meal packets are included in food boxes for consumption later or are prepared as part or all of a hot meal.

Meal packets are also given for weekend backpack programs coordinated by churches for hungry children from low-income families

FEED the HUNGER
It's more than a meal.

Feed the Hunger in America

Church partners are integrating our meal packets into their community outreach programs. Beans and rice is an easily recognized meal.

FtH was able to send a pallet of food to SC last year following the historic flooding, but the need was far more than we could meet with resources on hand.

You can go with *FtH* on a domestic mission trip, distribute food, and share the love of Jesus with your fellow Americans!
