

FEED THE
HUNGER

**TWO
HUNGERS**

ONE MISSION

Every child deserves to experience the love of God

Every child wants to succeed, but many don't have the resources they need. Too many live in desperate circumstances and face hopelessness apart from Christ. They lack proper nutrition, education, and spiritual guidance, making it easy for them to feel defeated.

Feed the Hunger believes every child deserves to experience the love of God and the opportunity to grow and learn.

Feeding the **PHYSICAL** and **SPIRITUAL** hunger in the needy

It's not just children who need help. Refugees and victims of natural disasters are also struggling, facing challenges of loss and destruction. And much of the world has yet to hear the lifesaving message of Jesus Christ.

Equipping vulnerable children

Feed the Hunger works with over 40 strategic partners in nearly two dozen countries, including the US, providing outreach and support to those in need and in crisis situations. Through these partnerships, over 13,000 children receive nutritious meals, Bibles, school supplies, and hygiene items on an ongoing basis.

At-Risk Children

Our strategic partners identify vulnerable children at risk of starvation or malnutrition. Feed the Hunger then provides urgently needed meals so they can grow healthy and strong. Long-term, children receive age-appropriate Bibles to nurture them spiritually and critical school supplies to equip them for a successful education.

Those in Crisis

Imagine suddenly being without basic necessities because of a natural disaster, war, or unrest. Feed the Hunger is poised to help right away by sending nonperishable meal packets, key hygiene items, and other relief supplies to affected areas.

The Unreached

Feed the Hunger desires to see the next generation come to know Jesus Christ in ethnic groups unreached with the Gospel. Our evangelism partners train pastors, plant churches, and distribute culturally appropriate Bibles so that children will grow up to become spiritual leaders in their communities.
