

# Countries YOU'RE IMPACTING

## USA

Feed the Hunger provides food for food pantries, homeless shelters, and school backpack programs in Kentucky. Bibles are made available to several ministries, including a Celebrate Recovery program. Packathon food is also freely given to churches and organizations throughout the country that are assisting areas impacted by natural disasters.

## ETHIOPIA

Feed the Hunger supports Bible distributions, leadership development training with evangelical churches and mission organizations, and aid and relief projects.

## INDIA

Feed the Hunger helps support Holy Palace Christian Centre for Health and Education, a training hospital in northern India. Through generous donations, the hospital has been able to expand, with new operating rooms and patient wards. Feed the Hunger has also funded Bible distributions and wells.

## KENYA

Nairobi Language Institute and JAMOCA Children's Education Center provide educational and spiritual guidance to children in the slums of Kenya. Feed the Hunger supports these schools with funds for school lunches, uniforms, educational supplies, teacher salaries, school upgrades, and school fees. We provide Bibles for distribution in the numerous slum areas as well as fund self-support projects, including a large farm that feeds an entire village.

## NEPAL

Feed the Hunger provides Bibles, training for grassroots church leaders and church planters, and funds for self-support projects and printing Christian literature. We also equip pastors with motorcycles for ministry use. Our donors' support of the Manjushree Elderly Home provides a safe, nurturing place for elderly widows who have been cast out by their families.

## BANGLADESH

Feed the Hunger sends food for multiple schools, orphan homes, and the Rohingya refugee camp, the largest refugee camp in the world. To date, over 12 million meals have been distributed in Bangladesh. Feed the Hunger has provided disaster relief, multiple wells, Edu-Packs, Hygiene Packs, leadership training, Bibles, self-support projects, and vehicles to assist with ministry.

## TOGO

Feed the Hunger supports reaching the unreached through Bible clubs in schools. Underprivileged children are invited to summer Bible camps, Easter outreaches and picnics, and Christmas programs. We also support aid and relief projects, such as repairing church roofs.

## LIBERIA

Feed the Hunger ships food to Frontline Christian Academy, where over 200 students receive nutritious meals. Feed the Hunger also helped fund a recent school expansion, as well as much-needed school supplies. In addition, three orphan homes receive ongoing food support.

## MALI

Feed the Hunger supports the recording and distribution of audio Bibles that are used as tools to share the Bible with people in remote areas who are unable to read or write. Audio Bibles are also distributed during youth summer camps and have been distributed in local prisons.

## GHANA

Feed the Hunger sends our meal packs, Edu-Packs, and Hygiene Packs for distribution by our partner. We also fund Bible distributions, school fees, student camps, classroom support, and wells. Our meals boost school attendance in remote villages, as children receive lunch when they go to school.

### HAITI

Feed the Hunger supports schools and orphan homes through distribution of our meal packs, Edu-Packs, and Bibles, as well as funding aid and relief projects. Haiti was our first food recipient after their devastating earthquake in 2010.

### SRI LANKA

Feed the Hunger supports several schools with our meal packs, Edu-Packs, and Hygiene Packs. Our meals are distributed to families in need through community outreaches, and we have assisted with aid and relief projects like providing clean water. We have also funded Bible distributions.

### JAMAICA

Children's Bibles, Edu-Packs, and Feed the Hunger meals are provided for schools in Jamaica. We participate in an annual back to school event with our partners, equipping children in the community. Feed the Hunger also assists with aid and relief projects.

### MYANMAR

Feed the Hunger supports pastors with training and provides food for 150 children in 10 orphan homes. We have also supported aid and relief projects like earthquake assistance.

### OGLALA LAKOTA NATION

The Pine Ridge Indian Reservation in South Dakota has received Feed the Hunger meals, winter coats for children, and funds to send youth to camp.

### BOLIVIA

Feed the Hunger has provided Bibles for distribution to children in orphan homes and families in the jungle. We provide funds at Christmas to bless our partners' evangelical outreaches.

### ISRAEL

Feed the Hunger supports children's summer programs like Vacation Bible School and Youth Bible Camp through our partner's church. We also help with their community Christmas programs intended to bring more children to Christ.

### VIETNAM

Feed the Hunger provides funds to purchase food for three orphan homes where children have been rescued from sex trafficking or have been abandoned by their families and left to starve. Food is also distributed to poor families, the homeless, widows, and patients in an oncology hospital.

### CAMBODIA

Feed the Hunger is helping place a Bible in the hands of new believers. We also support aid and relief efforts.

### MONGOLIA

Feed the Hunger funds annual training for pastors and has provided yurts for their personal homes and churches, as well as chairs and a pulpit for a church. We have also purchased a used vehicle for a local pastor's ministry.

### PAKISTAN

Feed the Hunger supports Bible distributions (children's, adult, audio, and solar audio Bibles), feeds children in village schools, provides wells and self-support projects (sewing shops, vegetable and fruit stands, and barber shops), and offers aid and relief support for wells, toilets, food, water coolers, and more.

### MEXICO

Feed the Hunger meals are eaten daily in two schools established by PowerHouse Church. Our meals are also distributed to 118 Houses of Peace for families who have recently been moved from shelters into more permanent housing. Everyone is enjoying the food, and they're excited to have the soy meals.

### CUBA

Feed the Hunger meals are distributed to before- and after-school programs and to the elderly population. Our food is also cooked and served in community settings on the weekends. School-age children will be receiving our Edu-Packs.

### GUINEA-BISSAU

Feed the Hunger supports graduates from discipleship classes as they plant churches and learn to care for their communities. They witness and pray over sick patients in the hospital, those in prison, and the military. They also care for widows in the community.

### UKRAINE

Feed the Hunger provides support for a children's summer camp, a children's Christmas program, various aid and relief projects, and ships food packets to meet physical hunger.

### UGANDA

Feed the Hunger provides Bibles for children and youth programs and helps with feeding programs in schools and for orphans and street children. We also help with special outreaches and youth camps.

### SOUTH AFRICA

In our partnership in South Africa, Feed the Hunger meal packets are feeding numerous schools, orphan homes, halfway houses for abused women, and numerous squatter settlements. Hygiene Packs are also being distributed.
